

Increase in Natural Gas Distribution Rates Approved

March 31, 2005

The Board of Commissioners of Public Utilities has approved a rate increase for Enbridge Gas New Brunswick.

In a brief decision issued today, the Board granted the company permission to increase its distribution charges as requested.

Effective April 1, Enbridge Gas New Brunswick will be allowed to charge the following rates for its customers groups:

Customer Class	New Rate
Small General Service	\$5.4436/GJ
General Service	\$3.8326/GJ
Contract General Service	\$3.1427/GJ
Contract Large General Service LFO	
For the first 33,000 GJ delivered per month	\$0.9773/GJ
For the next 25,000 GJ delivered per month	\$0.1900/GJ
For volumes in excess of 58,000 GJ per month	\$0.0800/GJ
Off-Peak Service	\$2.8745/GJ
Contract Large Volume Off Peak Service	\$2.3570/GJ
Natural Gas Vehicle Fueling Rates	\$3.8326/GJ
